Accord XRT II

EPA Reg. No. 62719-556

Directions for Use

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- This recommendation must be in the possession of the user at the time of pesticide application.
- Follow all applicable directions, restrictions, and precautions on the product label.
- For control of lesser celandine, applications can be made at all sites listed on the Accord XRT II product label.
- Follow all applicable maximum seasonal and per application use rate limits for each use site listed on the Accord XRT II product label.
- Apply a 1.5-3% solution of Accord XRT II as a spray-to-wet foliar application.
- Control of lesser celandine is best achieved by applications in late winter through early spring.
